The members and their families of the local chapter of the U. D. C. held their annual picnic, Wednesday evening at Elmwood the beautiful home of Louis Houck. The business of the meeting was the first of the day's program, and was opened by a report from Mrs. L. B. Houck, on the past work of this organization, and owing to Mrs. Houck's absence, was read by Miss Rebecca Houck. Miss M. D. Wilson, treasurer of the chapter, then read her report, and was followed by a splendid talk from Mrs. E. A. Hayden, who spoke of the work of the National Chapter, and of the recent unveiling of the Arlington Monument at Washington, D. C., and of the handsome Chile Monument, erected on the Tennessee River. Mrs. Hayden also gave a most interesting account of the educational work the organization has taken up so vigorously, of the scholarship fund and the old soldiers and widows funds, which are the charity branches of the society. The report of the Historian, Mrs. George Waters, was then read, and her paper portrayed some very interesting accounts of the war, and reminiscences of many of its well known soldiers. Mrs. Louis Houck, as chairman of the Gate committee, reported that excellent progress is being made in this branch of the chapter, that the street up to the Cemetery is now being graded, and all is about ready for the erection of the Gate at the Old Cemetery. Work on this will be completed some time this summer. This talk was followed by an address from the Rev. J. J. Clifton, who spoke on "Stonewall Jackson" as man and as a soldier. Mr. Clifton, gave reminiscences in the lives of these famous soldiers, that he had collected himself, his home having been in Virginia. It was most entertaining and greatly enjoyed by the members who were present.

After the business of the meeting was completed, luncheon was spread on the lawn, and such a feast would be difficult to imagine. Everything the appetite would crave was most temptingly served, and both the older and younger members were given a treat far surpassing any affairs of this kind ever enjoyed before.

Music and dancing was then the pleasure of the young folks, while the older ladies and gentlemen passed the evening on the lawn, and in the cooling swings. It was quite a late hour when the picnickers returned to the Cape, loud in their praise of the well-known Houck hospitality.

Mr. and Mrs. Louis Rau of Dutchtown, entertained quite a jolly party of friends in honor of Mr. Rau's birthday anniversary. Their home was beautifully decorated with ferns and flowers, carrying out the color scheme of pink, white and green. The guests played euchre during the afternoon, the prizes for the ladies being won by, Mrs. E. M. Thilenius, first; Mrs. Wm. Bartles, second; Mrs. Alfred Dittlinger, third; Mrs. N. T. Chostner, fourth; consolation, Mrs. E. P. Ellis. The gentlemen prizes were won by Albert Rau, first; E. M. Thilenius, second; Alfred Dittlinger, third; L. T. Keller, fourth; consolation, E. P. Ellis. After the game, favors were given the guests of dainty pink and white baskets, filled with sweet peas and ferns, and a two-course luncheon was served. Several beautiful piano selections were rendered by Mrs. Wm. Bartles and violin numbers by Dr. G. B. Schultz and E. M. Thilenius. It was after midnight before the party returned to the Cape, having enjoyed one of the most delightful affairs of the summer. Those present were: Messrs. and Mesdames M. Siemers, Edwin Keller, O. C. Crites, M. Daume, Philip Rau, Wm. Rau, Dr. and Mrs. N. T. Chostner, Mr. and Mrs. L. C. Rau, Miss Frieda Sander, and Miss Frieda Geises, all of Dutchtown. Messrs. and Mesdames Wm. Bartles, E. P. Mrs. W. W. Martin, the only delegate from this city to the General Federation of Women's Clubs, which was held in Chicago June 9th to 19th, returned home Saturday. Mrs. Martin gives a very interesting account of the session, which she claims was one of the largest ever held before. There were delegates from every state in the Union, as well as many foreign delegates, and gave these ladies attending, a splendid opportunity of hearing some prominent and well known women speakers of the country, also a number of prominent men of the country, who are interested in the works of the women of today. There were over 3000 delegates in attendance and it is said that the Auditorium was crowded

to standing room at every meeting. Suffrage and Prohibition, Mrs. Martin says, were indorsed. Beside the regular business of the biennial there were many social functions given for the visiting ladies, which enabled them to become better acquainted, and in this charming way, lent a lighter strain to their many serious moments. The Clubs of our city could not have sent a more worthy delegate than Mrs. Martin, who is one of the best known club women, and her presence in Chicago, during the session, gave the Cape recognition among the clubs of the country.

Sunday being such an unusually warm day, many of the young folks were seen starting out early in the morning seeking the cool places, so abundant around the Cape, with baskets of lunch, and autos laden with good things. The jolly party stopped at Gray's Point where they enjoyed bathing, and the cool breezes under the beautiful shade trees along the bank, and had a most delicious supper, returning to the Cape about 9 Sunday evening.

Another jolly crowd of the young folks gave a delightful surprise party to Miss Mary Knott of Williams street, Sunday evening. Woman Suffrage was represented by a goddess of liberty, holding aloft a "Votes for Women" banner who waded in front of a float decorated in the international and national suffrage colors. On this float were a brother and sister putting votes into a ballot box. Behind this float came a group of women dressed in white and wearing yellow sashes. They carried at shoulder height, a banner four yards long on which were the words, "Political Equality."

Not Enough To Go 'Round.
The scientific sharps have found With other things forsooth, 'Tis love that makes the world go round, A scientific truth.

Mrs. Frank Burroughs, two daughters, Miss Mary and Gene, and son Kendrick Burroughs have returned to their home after spending the past month in the East. Mr. Burroughs finished at this well known institution this year with the highest average of his class, showing that you cannot always believe what you read in the newspapers. The report that was published in many of the western papers, Mr. Burroughs says, stated that the Harvard crew had won from Yale in the recent races, was entirely incorrect. It seems that Harvard was so sure of winning that before the race was even started, telegrams were sent to the Western papers claiming the victory, when the real victors were the Yale crew, who won by a few feet. That was a splendid case of "counting your chickens before they were hatched."
